Multi-Factor Authentication (MFA) Summary

Single-Factor authentication (username/password) is not sufficiently secure when handling sensitive Personal Health Information or Personally Identifiable Information. Multi-Factor authentication is required to properly secure access to sensitive information.

What is MFA?

Multi-Factor authentication (MFA) is an authentication method that requires users to verify identity using multiple independent methods. Instead of just asking for a username and password, MFA implements additional credentials like a pin sent via email or text, or a verification call made to a pre-registered phone number.

How does Multi-Factor Authentication work?

The goal of MFA is to provide a multi-layered defense system. This helps ensure that the users who access your system are who they say they are. Even if one factor is compromised, there are still more barriers to breach.

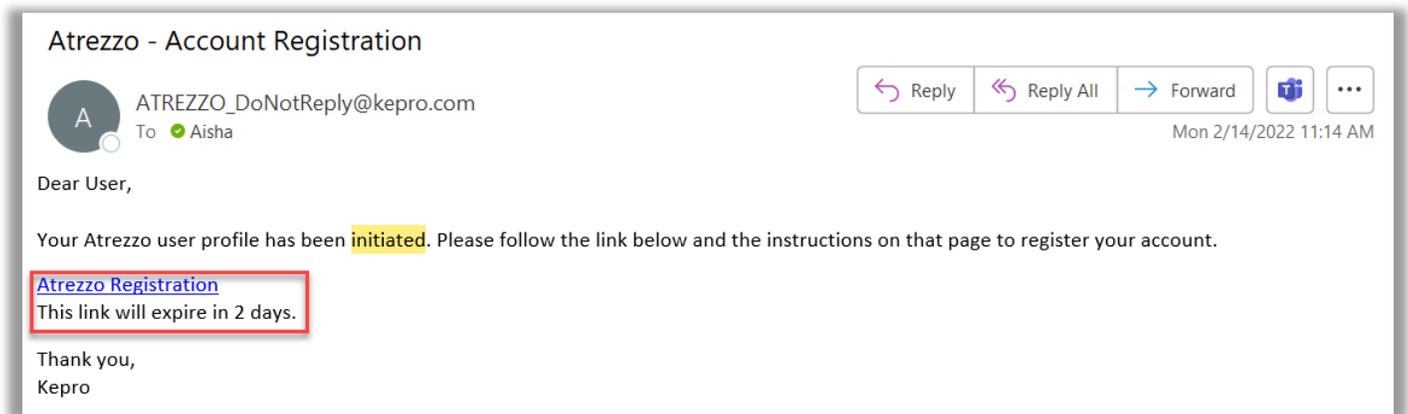

For example, to log in to a secure program, a user would need to type a password and enter another number from a text, phone call, or email. Only the correct password combined with the correct number from the additional authentication factor would give a user access.

New Portal User MFA Registration

The below instructions will guide you through completing the Multi-Factor Authentication (MFA) Registration, which is a one-time process.

Your Atrezzo Portal Administrator will create your account. The system will send an email with a link for Atrezzo Registration. Click the link to begin the MFA registration process.

IMPORTANT: The Atrezzo Registration link will expire within 2 days of receipt. If you have not completed the registration process, see your Atrezzo Portal Administrator to have a new link sent via email.

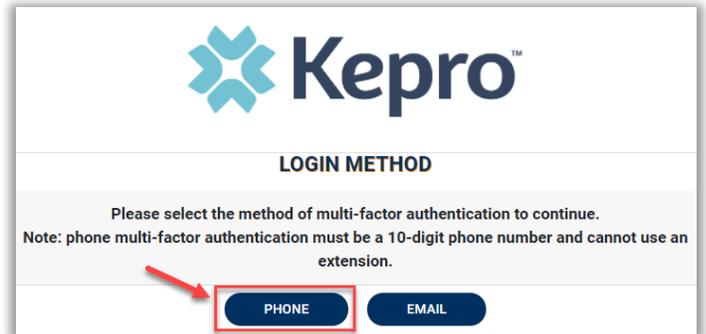

Select the best multi-factor authentication method for you, [Phone](#) or [Email](#), following the instructions below.

NOTES:

- 1) When choosing an authentication method, you will be required to enter an email address for both options. Only choose the Email option if you do not have access to a direct phone line (landline or mobile).
- 2) A phone registration will require a direct line with 10-digits; extensions are not supported.

Phone Verification

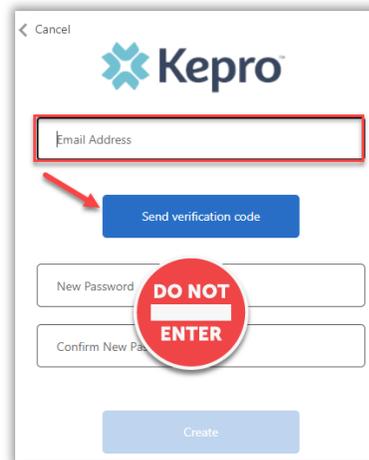

Click the **PHONE** button

The screenshot shows the 'LOGIN METHOD' screen. At the top is the Kepro logo. Below it, the text reads: 'Please select the method of multi-factor authentication to continue. Note: phone multi-factor authentication must be a 10-digit phone number and cannot use an extension.' At the bottom, there are two buttons: 'PHONE' and 'EMAIL'. A red box highlights the 'PHONE' button, and a red arrow points to it from the left.

Enter your work email address, then click **Send Verification Code**. A code will be sent to your email.

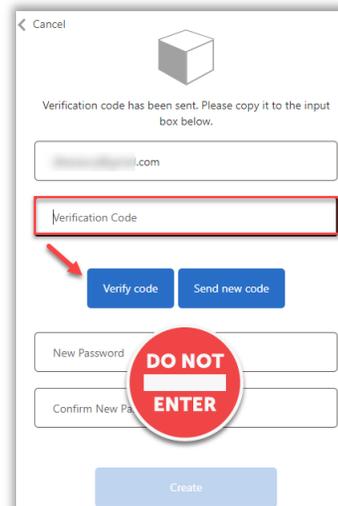

IMPORTANT: Do NOT enter anything in the Password section (this is not needed at this step).

The screenshot shows the registration screen. At the top is the Kepro logo. Below it is an 'Email Address' input field. A red box highlights this field, and a red arrow points to it from the left. Below the email field is a 'Send verification code' button. Further down are 'New Password' and 'Confirm New Password' input fields. A red circular overlay with the text 'DO NOT ENTER' is placed over these password fields. At the bottom is a 'Create' button.

Enter the verification code received via email, then click **Verify Code**.

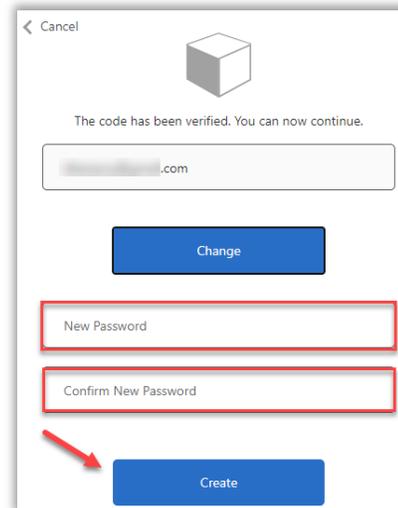

IMPORTANT: Do NOT enter anything in the Password section (this is not needed at this step).

The screenshot shows the registration screen. At the top is the Kepro logo. Below it is a message: 'Verification code has been sent. Please copy it to the input box below.' Below this message is an input field containing a partially visible email address. A red box highlights the 'Verification Code' input field, and a red arrow points to it from the left. Below the verification code field are two buttons: 'Verify code' and 'Send new code'. Further down are 'New Password' and 'Confirm New Password' input fields. A red circular overlay with the text 'DO NOT ENTER' is placed over these password fields. At the bottom is a 'Create' button.

After email verification is complete, enter a new password, confirm the password, and click **Create**.

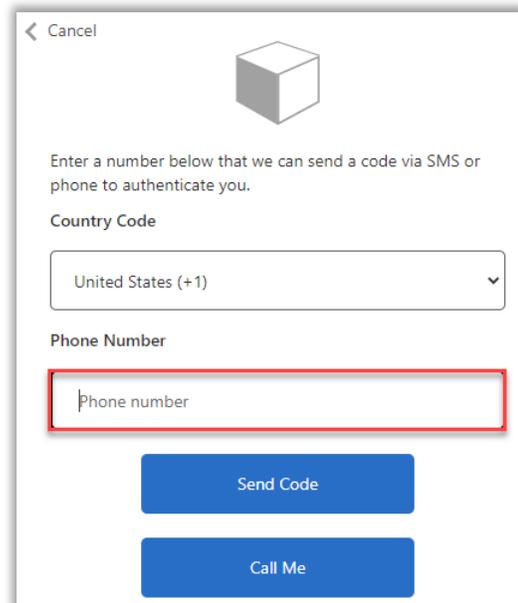

This is creating a password for the Multi-Factor Authentication Registration.

Customer/Provider Login

Customer and provider users are any users who do not have a Kepro account or kepro.com email address. These users should use the login button under the **Customer/Provider** heading on the right-hand side of the login page.

After entering the Atrezzo Provider Portal URL (<https://portal.kepro.com/>), the login page will display.

The screenshot shows the Kepro login page. At the top is the Kepro logo. Below it is the heading "LOGIN OPTIONS". There are two main login sections:

- Kepro Employees**: "Use this login button if you have a Kepro domain account." It features a "LOGIN" button and a "Remember Me" checkbox.
- Customer/Provider**: "Use this login button if you are a customer or provider user." It features "LOGIN WITH PHONE" and "LOGIN WITH EMAIL" buttons, and a "Remember Me" checkbox.

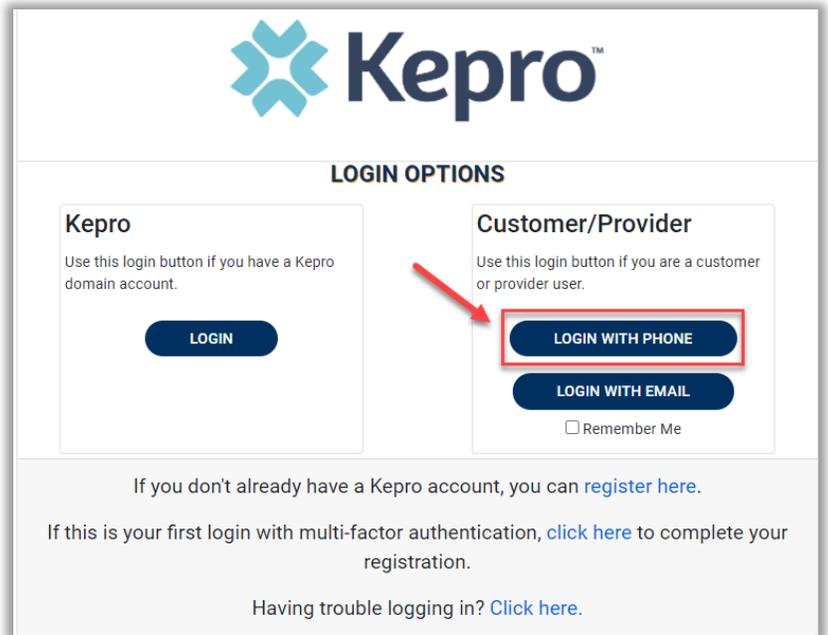

Below these sections, there are three lines of text:

- "If you don't already have a Kepro account, you can [register here](#)."
- "If this is your first login with multi-factor authentication, [click here](#) to complete your registration."
- "Having trouble logging in? [Click here](#)."

Login With Phone

Use these instructions if you have already registered MFA with a direct phone number and want to login via SMS text or voice call.

From the login page, click **LOGIN WITH PHONE**

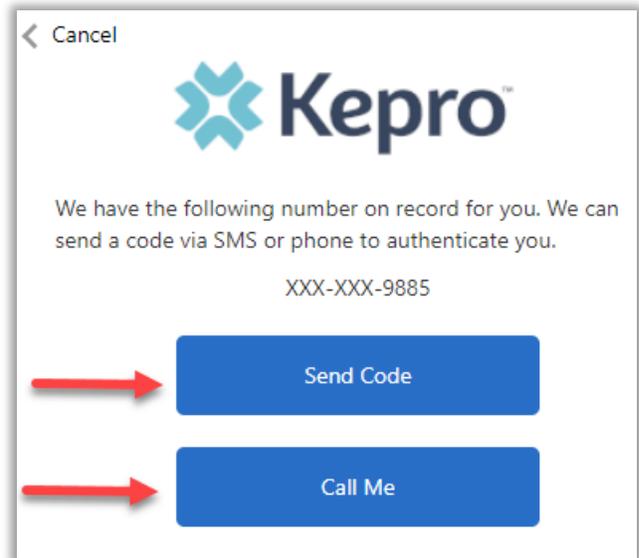

The screenshot shows the Kepro login page. At the top is the Kepro logo. Below it is the heading "LOGIN OPTIONS". There are two main columns. The left column is titled "Kepro" and contains the text "Use this login button if you have a Kepro domain account." and a "LOGIN" button. The right column is titled "Customer/Provider" and contains the text "Use this login button if you are a customer or provider user." and two buttons: "LOGIN WITH PHONE" and "LOGIN WITH EMAIL". A red arrow points to the "LOGIN WITH PHONE" button, which is also highlighted with a red box. Below the columns, there is a link to "register here" and a link to "complete your registration". At the bottom, there is a link for "Having trouble logging in?".

Enter the email address and password created during the registration process. Click **Sign in**

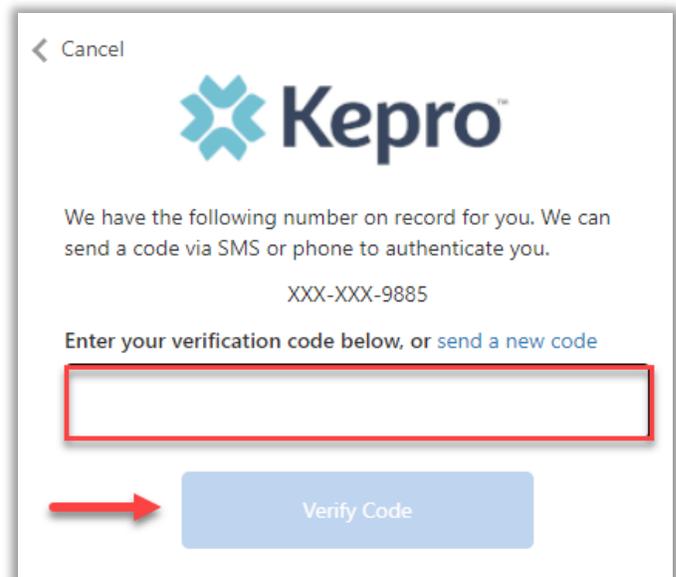

The screenshot shows the Kepro sign-in page. At the top is the Kepro logo. Below it is the heading "Sign in with your email address". There are two input fields: the first for an email address (partially filled with ".....@......com") and the second for a password (filled with "....."). Below the password field is a link for "Forgot your password?". At the bottom is a blue "Sign in" button, which is highlighted with a red box and a red arrow points to it.

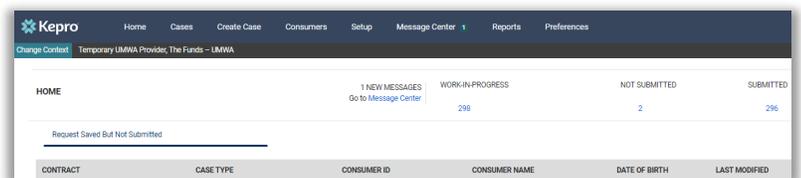

Confirm the phone number on file to receive a verification code. Select **Send Code** for an SMS text verification code or **Call Me** for a voice call to complete verification.

If Send Code option is selected, enter code received via text and click **Verify Code**.

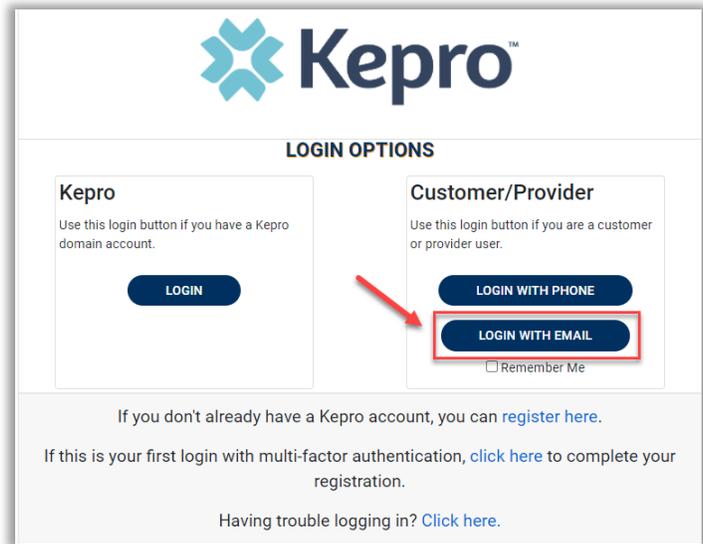

The system will automatically login and the home page will display.

Login With Email

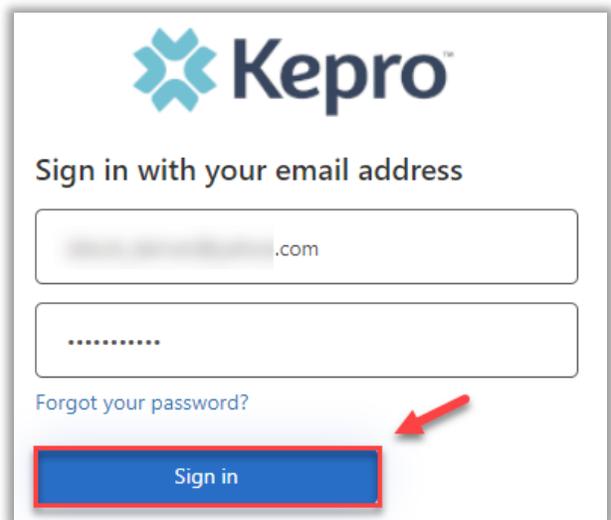

Use these instructions if you have already registered MFA and want to login using your email address. Use this option only if you do not have access to a direct phone line.

From the login page, click
LOGIN WITH EMAIL

The screenshot shows the Kepro login page. At the top is the Kepro logo. Below it is the heading "LOGIN OPTIONS". There are two main sections: "Kepro" and "Customer/Provider". The "Kepro" section has a "LOGIN" button. The "Customer/Provider" section has two buttons: "LOGIN WITH PHONE" and "LOGIN WITH EMAIL". A red arrow points to the "LOGIN WITH EMAIL" button, which is also highlighted with a red box. Below the buttons, there is a "Remember Me" checkbox. At the bottom of the page, there are three links: "register here", "click here" (for multi-factor authentication), and "Click here" (for login trouble).

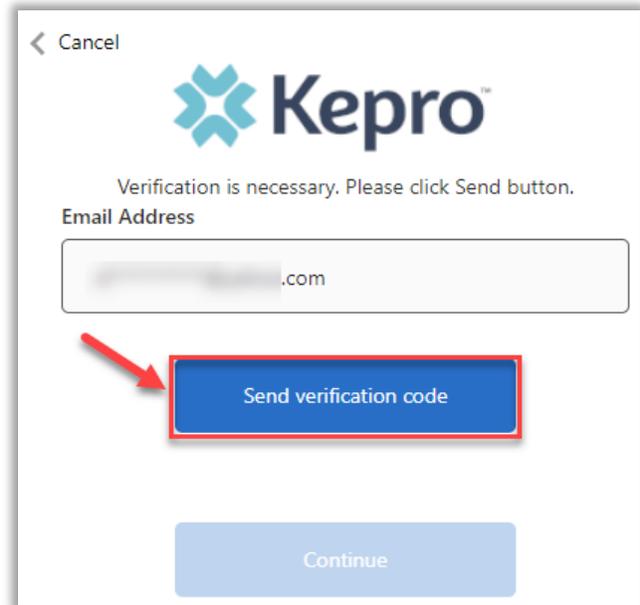

Enter the email address and password created during the registration process. Click
Sign in

The screenshot shows the Kepro sign-in page. At the top is the Kepro logo. Below it is the heading "Sign in with your email address". There are two input fields: one for the email address (with ".com" visible) and one for the password (with "....." visible). Below the password field is a link "Forgot your password?". At the bottom is a blue "Sign in" button, which is highlighted with a red box and has a red arrow pointing to it.

The email address will prepopulate from the sign in, click **Send Verification Code**.

NOTE: The verification code will expire within 30 seconds for proper login, make sure you have access to the email address at the time you are selecting Send Verification Code to avoid having to repeat the process.

Remember Me Functionality

Use these instructions to enable your computer to remember your login credentials for four (4) hours. You should NOT use this option if you use a shared device. When the Remember Me button is checked on the login screen, external users will be able to login without entering Atrezzo credentials or MFA for four (4) hours.

To use this feature, check **Remember Me** box then click **Login with Phone** or **Login with Email**.

The screenshot shows the Kepro login interface. At the top is the Kepro logo. Below it is the heading "LOGIN OPTIONS". There are two main login sections: "Kepro" and "Customer/Provider". The "Kepro" section has a "LOGIN" button. The "Customer/Provider" section has "LOGIN WITH PHONE" and "LOGIN WITH EMAIL" buttons, and a "Remember Me" checkbox which is highlighted with a red box and a red arrow. Below the login options, there are three lines of text: "If you don't already have a Kepro account, you can [register here](#).", "If this is your first login with multi-factor authentication, [click here](#) to complete your registration.", and "Having trouble logging in? [Click here](#)."

For the next four (4) hours, when accessing Atrezzo, you will click Login with Phone or Login with Email and bypass the login credentials and MFA steps. After four (4) hours, you will need to login with your credentials and MFA when prompted. You must use the same login option (Login with Phone or Login with Email) for the Remember Me functionality to remember the credentials. If you select a different login option, you will be required to enter MFA credentials.

To turn off this feature, uncheck the Remember Me box, before clicking Login with Phone or Login with Email, and you will be prompted to enter login credentials and MFA at the next sign-on.

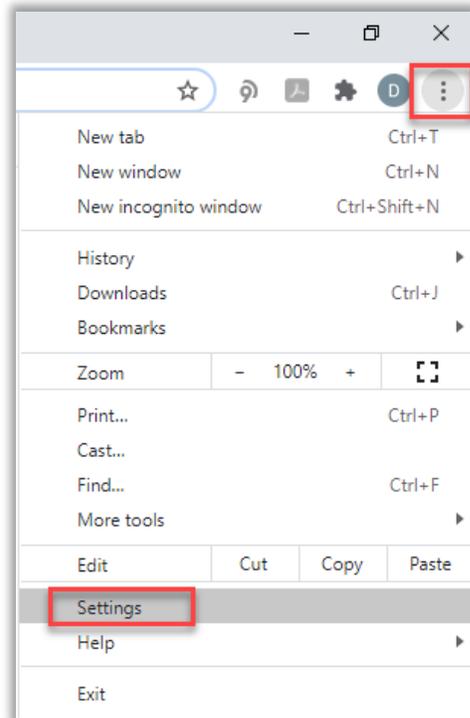

NOTE: This feature will only work if the browser is configured to “continue where you left off” by reopening tabs on startup. The Remember Me functionality will work as long as the browser remains open, but if the browser is closed, the Remember Me functionality will not work without following the below instructions to configure the system to continue where you left off when last logged in.

Chrome Configuration

Google Chrome is the preferred browser for Atrezzo.

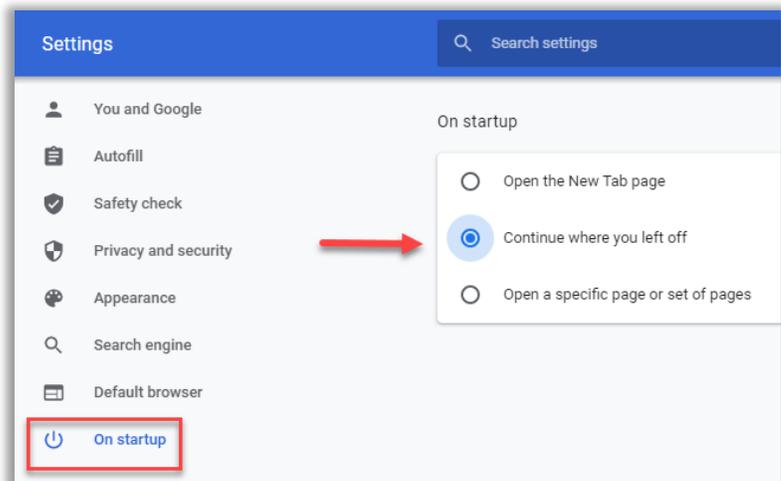

To set “continue where you left off” in Google Chrome, click the **three (3) menu dots** in the upper right corner of the browser.

Then click **Settings**.

Click **On startup** in the left menu

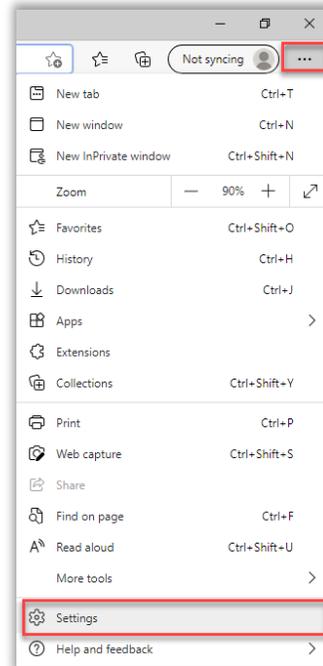

Then click the selection for “**Continue where you left off**”.

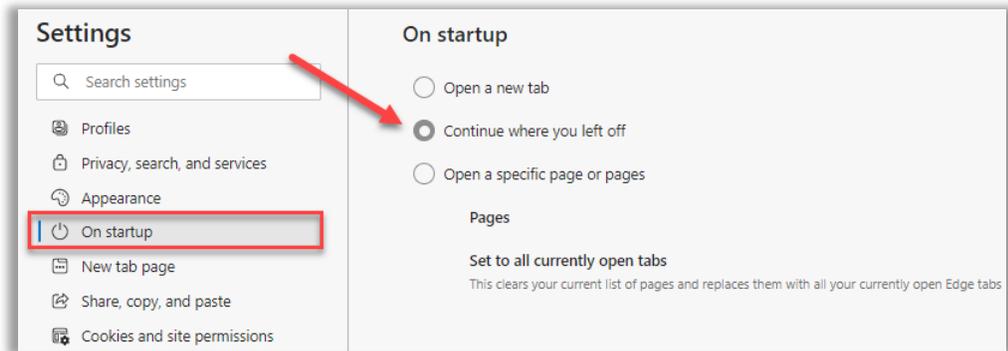

Edge Configuration

To set "continue where you left off" feature in Microsoft Edge.

Click the three (3) menu dots in the upper right corner of the browser
Then click **Settings**.

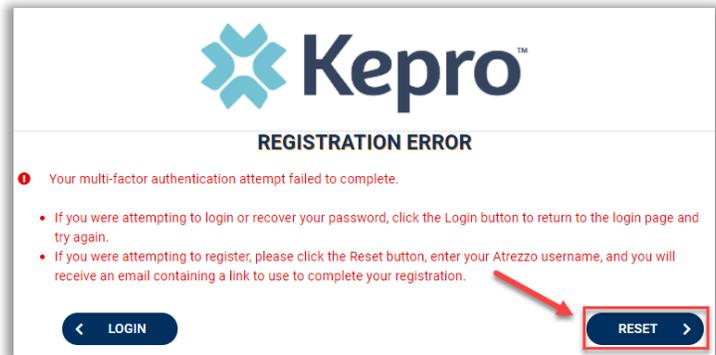

Click **On startup** in the left menu
Then click the selection for "**Continue where you left off**".

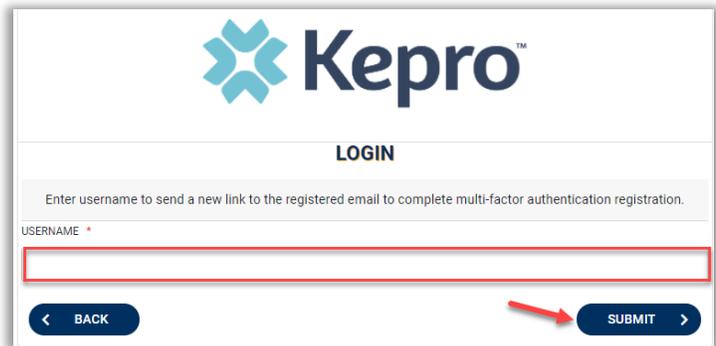

Registration Error Message

If a registration error message is received when attempting to Register, click **Reset**.

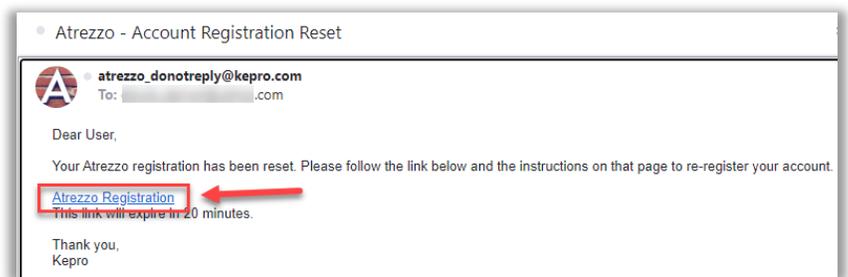

Enter username and click **Submit**.

An email will be sent to the registered email address to complete the registration process.

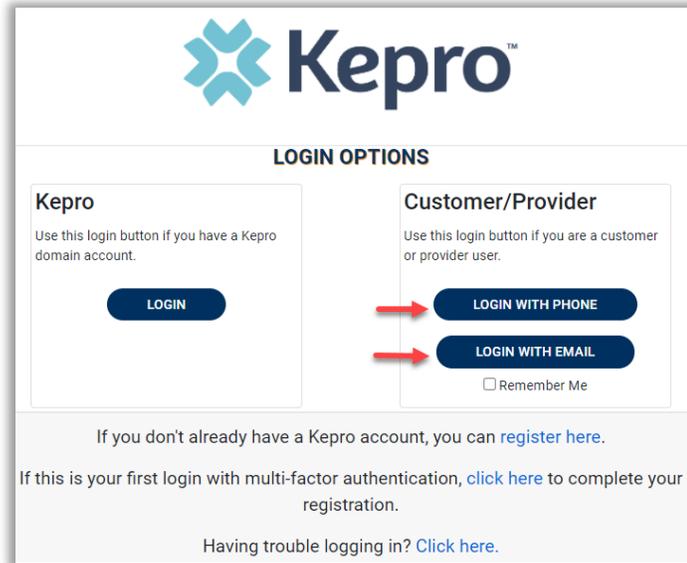

Click the link in the email, this will complete the registration process.

NOTE: The link will expire within 20 minutes, make sure you have access to the email address at the time to avoid having to repeat the process.

Forgot or Reset Password

Select your usual login method **Login with Phone** or **Login with Email** under the Customer/Provider section on the right-hand side of the login page.

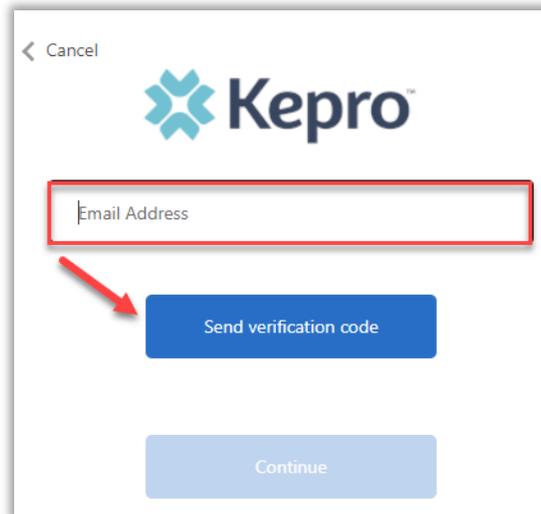

The screenshot shows the Kepro login page. At the top is the Kepro logo. Below it is the heading "LOGIN OPTIONS". There are two main sections: "Kepro" and "Customer/Provider". The "Kepro" section has a "LOGIN" button. The "Customer/Provider" section has two buttons: "LOGIN WITH PHONE" and "LOGIN WITH EMAIL", both highlighted with red arrows. Below these sections are three lines of text: "If you don't already have a Kepro account, you can [register here](#).", "If this is your first login with multi-factor authentication, [click here](#) to complete your registration.", and "Having trouble logging in? [Click here](#)."

On the next page, select **Forgot your password**.

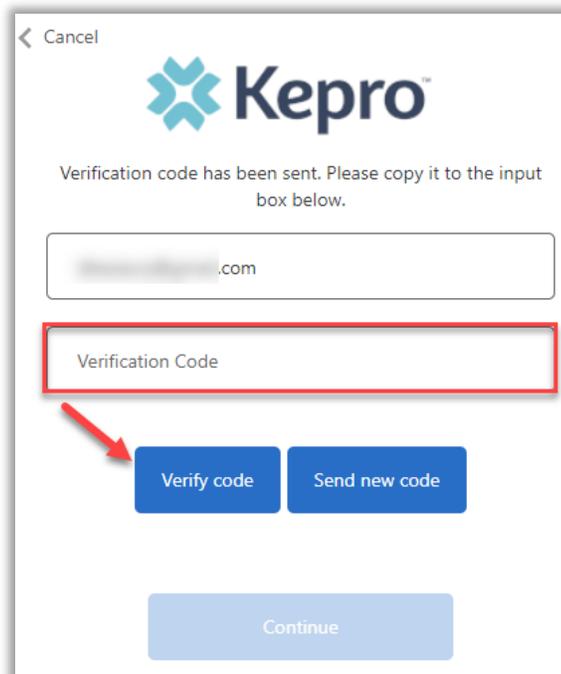

The screenshot shows the Kepro sign-in page. At the top is the Kepro logo. Below it is the heading "Sign in with your email address". There are two input fields: "Email Address" and "Password". Below the "Password" field is a link "Forgot your password?" which is highlighted with a red box and a red arrow. At the bottom is a blue "Sign in" button.

Enter email address and click **Send verification code**.

Below the logo is a text input field labeled "Email Address" with a red border. A red arrow points from the bottom right of this field to a blue button labeled "Send verification code". Below this button is a light blue button labeled "Continue".

Enter the 6-digit code received via email and click the **Verify code** button.

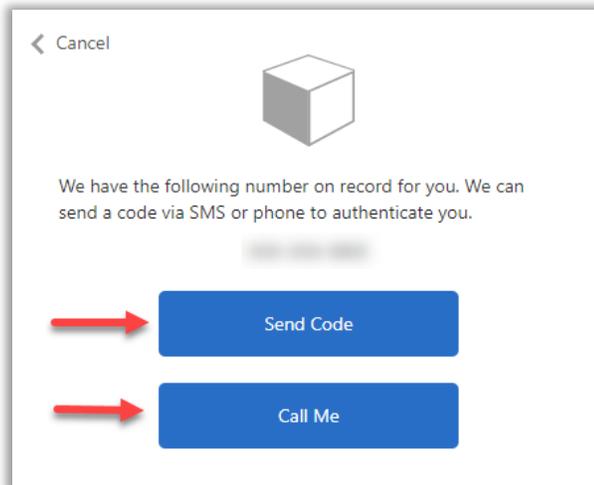

The screenshot shows the Kepro mobile app interface for code verification. At the top left is a back arrow and the word "Cancel". The Kepro logo is centered at the top. Below the logo is the text "Verification code has been sent. Please copy it to the input box below." Below this text is a text input field containing a blurred email address followed by ".com". Below this field is another text input field labeled "Verification Code" with a red border. A red arrow points from the bottom left of this field to a blue button labeled "Verify code". To the right of the "Verify code" button is another blue button labeled "Send new code". Below these two buttons is a light blue button labeled "Continue".

Click **Continue**.

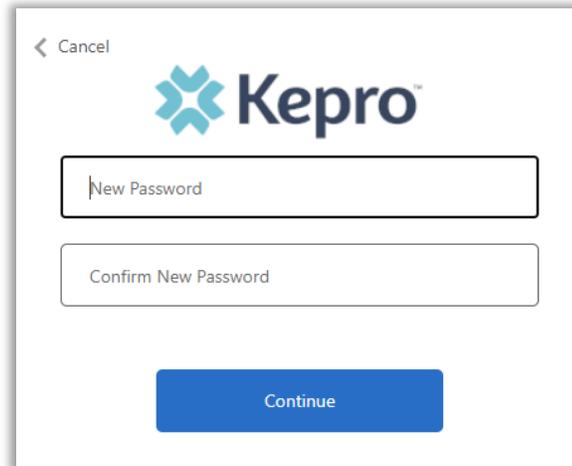

Phone users will be prompted to select **Send Code** for an SMS text or **Call Me** for voice verification. If Call Me is selected, you will be prompted to press # on the keypad for verification. If Send Code is selected, you will receive a 6-digit code via SMS text.

NOTE: *This step will only appear for users who registered a phone number during MFA Registration. Email only users, will not be prompted for a phone number and will be prompted to change their password after email verification is complete.*

Once verification is complete, enter a new password and confirm the password. Click **Continue**.

The home page will display once the reset password process is completed.
